

# 18' SINGLE AUGER SEED-FILL

**New for John Deere  
N540C Air Drills.**

## FEATURES:

- From transport position to filling position in 30 seconds.
- The lid can be opened with the auger in transport position, so that seed levels can be checked.
- The auger stores across the rear & the mounting hardware is wide enough to allow a tote in for cleanout.
- Available with cupped steel or 5" cupped plastic flighting.
